About Us

For over 100 years Sure South Atlantic (formally Cable and Wireless) has been providing connectivity to countries throughout the world via their national and international telecoms networks.

Today, Sure South Atlantic Limited is licenced by the St Helena Government to provide international public telecommunications services to the Island of St Helena. Our services include National & International Telephone, Public Internet and Television Re-Broadcast.

Sure continues to invest in the network infrastructure on St Helena and our international satellite links, enabling us to offer robust, high quality communication services for both residential and business customers.

In April 2013 the company was acquired by the Batelco Group, a leading telecommunications provider to 16 markets spanning the Middle East & Northern Africa, Europe and the South Atlantic and Indian Ocean. This marks the start of an exciting new phase for our business, as we join an international organization which is committed to delivering value and unsurpassed customer service.

To underpin the important changes to our business, with effect from 15th July 2013 we changed our name from Cable & Wireless South Atlantic Ltd to Sure South Atlantic Limited. Sure International is the corporate division of the business, enabling companies that operate in the islands to reliably and efficiently connect and transact with their global partners.

Serving the communities where Sure operates is at the heart of the Company's approach. Sure is committed to behaving in an ethical and socially responsible manner.

Your Needs - Our Promise

Customer Services is the responsibility of all at Sure SA Ltd and our goal is to work with you. We promise to supply a range of services in a flexible manner that provides solutions to your communication needs.

Our Services

Television Service:

Sure provides a Television Rebroadcast service and offers two packages – Standard and Premium.

Customers who subscribe to the Standard Package can view 17 channels, which include documentaries, news, movies, sports and children's entertainment.

The Premium Package consists of 30 channels, which covers additional documentaries, news, movies, sports and children's entertainment.

Both packages also include a free promotional channel providing free to air and local programmes.

Mobile Service:

Sure offers a mobile service for all your voice, text and data needs. The mobile network is designed with a 2G GSM layer and 4G LTE layer to support data services. This service enables you to make international and local calls as well as sending local and international SMS.

Mobile Packages Available:

Pay As you Go (PAYG)

PAYG SIM cards can be purchased from the Customer Care Centre at Bishops Rooms and various vendors. Top Up cards are used for credit and these are also sold from various vendors in £10 and £20 denominations.

Pay Monthly

We offer different packages to suit your needs. Each package includes an allowance for national calls, SMS and mobile data and is billed monthly. Contact us or visit our website to find out more.

Our Services

Telephone Service:

Sure offers telephone service for outgoing and incoming, international and local calls. This service can also include additional features, such as international or outgoing barring.

Broadband Service:

Sure provides an ADSL broadband service together with various IP based services available to subscribers e.g. e-mail facilities and other services and applications that we may introduce from time to time.

There are packages available with a monthly data allowance for a monthly rental.

We also offer a range of business data options. For additional information on our services, including current pricing or an application form to subscribe, please visit us at Bishops Rooms, contact 22900, e-mail: service@sure.co.sh or visit the sure website www.sure.co.sh
